## Consultation:

The Delta AETC offers free and confidential consultation for Health Care Professionals managing HIV/AIDS. Clinicians in Louisiana, Mississippi and Arkansas can call their own state warmlines. Calls are forwarded to peer consultants who return calls within 48 hours (excluding holidays and weekends). Consultants are affiliated with state university medical centers and have expertise in treating/caring for HIV patients. Calls are answered during business hours (Central Time) on weekdays. Voice mail is available 24 hours a day.
