

HIV/AIDS Resource Center for Clinicians

The New England AIDS Education and Training Center (NEAETC) strives to increase the number of health care providers to effectively counsel, diagnose, treat, manage and assist in the prevention of high risk behavior which may lead to infection.

Clinical Training

The New England AIDS Education and Training Center (NEAETC), established in 1988, is one of eleven regional education centers funded by the U.S. Department of Health and Human Services, and is sponsored regionally by the Office of Community Programs at the University of Massachusetts Medical Center.

Training includes:

- ❖ [Primary HIV Infection: Prevention, Detection & Treatment](#)
- ❖ [Update on Rapid Testing for HIV](#)
- ❖ [Adolescents & HIV: Update on Prevention, Early Intervention & Clinical Care](#)
- ❖ [HIV and Pregnancy](#)
- ❖ [HIV in Over 50 Population](#)
- ❖ [Oral Health and HIV](#)
- ❖ [Simplification of ARV Regimens](#)

Consultation

The NEAETC provides healthcare providers with timely, expert answers to questions about HIV/AIDS treatment. Answers to questions already submitted on our website are found at [Clinic Q&A](#). Further questions may be submitted online.
