Serving Arizona, California, Hawai'i, Nevada and the six US-affiliated Pacific Jurisdictions
15 local training sites; find your nearest program on the Web site

Clinical Training:

- ❖ Lectures and didactic seminars
- ❖ Workshops, seminars and hands-on clinical experience
- ❖ Intensive clinical rotations, preceptorships and mini-residencies
- ❖ Clinical consultation on all aspects of managing patient care
- ❖ Technical assistance in quality of HIV care

Consultation:

PAETC provides resources to assist clinicians with difficult care decisions. Resources include treatment guidelines, slides, videos, and landmark journal articles. Teaching aides, such as curricula and slide sets, on many clinical care topics are also available.
